## Practice Policy

### Treatment Consent

I hereby authorize and consent to treatment at Metro Dermatology (MD). This may include the administration of medication, diagnostic tests and procedures as deemed necessary by my physician, or his assistants or designees, for purposes of diagnosis or treatment.

### Authorization & Assignment

I authorize Metro Dermatology and/or my physician to furnish information to my insurance carriers concerning my diagnosis and treatment. If I do not make payment in full for such services, I assign to Metro Dermatology all payments for services rendered to my dependents or me.

### Medicare Claims

I authorize any holder of medical or other information about me to release to the Social Security Administration and Centers for Medicare and Medicaid or its intermediaries or carriers, any information needed for this or a related Medicare claim. I request payment of medical insurance benefits to the party who accepts assignment. Regulations pertaining to Medicare assignment of benefits apply.

### Payment Guarantee

**\* Patient Responsibility.** I understand that I am responsible for any amount not covered by insurance. I agree to provide payment within 30 days of notification by statement of this responsibility. Failure to do so will incur additional billing charges. This applies whether covered by an HMO, PPO, or a traditional group health plan. If my account becomes delinquent, I understand that it is subject for placement with an outside collection agency. A collection fee, not to exceed 30% of the unpaid balance including, but not limited to collection agency fees, attorney's fees, filing fees, and court costs when necessary, will be added to the balance referred. If your account is placed with a collection agency, we will terminate the availability of our services to you and you will be dismissed from the practice.

**\* Contracted Insurers.** If we participate (are contracted) with your insurance plan, we file claims as a courtesy to you. You will be responsible for:

- Co-payments
- Annual deductibles
- Coinsurances
- Non-covered services

**\* Non-Covered Services.** Insurers routinely state, "The determination of coverage is made at the time the claim is submitted." We often do not know if treatments will be covered until we receive the insurer's EOB (explanation of benefits). After the EOB for your submitted claim has been received at Lee Dermatology, you will be billed for any items not covered by your insurance plan. Services may be denied for coverage because the carrier considers the services: 1) medically unnecessary 2) preexisting condition 3) cosmetic. In the event that Medicare or any insurance carrier should deny payment, I agree to be personally and fully responsible for payment.

**Initial** \_\_\_\_\_

\* **Transfer of Credit Balance.** A credit balance resulting from payment to Metro Dermatology from insurance or other sources may be applied to any other accounts owed by the insured and/or family of the insured.

\* **Pathology & Laboratory Charges.** Final laboratory charges cannot be anticipated at the time of service and are not within our control. Clinical laboratories will perform all needed tests to clarify or confirm a diagnosis. This can result in significant additional fees. You will be responsible for any amount not covered by insurance.

## Fees

\* **Co-Pay Rebilling Charge.** Our contract with your insurer requires us to collect any co-payments in full at the time of service. If for any reason the correct co-pay is not collected at the time of service, a \$10 service charge will apply for additional billing to collect the correct co-pay.

\* **Insurance Rebilling Charge.** If your insurance claim requires a second submission because of incorrect insurance policy information, there will be an additional \$15 charge. This charge will be the patient's responsibility. If the correct insurance information is not obtained before your insurer's claim filing deadline, you will become responsible for the full cost of the visit.

\* **Rebilling Charges.** After the first 30 days, any outstanding charges will be subjected to an additional \$5 charge each billing period for mailing and handling fees.

\* **Returned Checks.** A \$35 processing fee will be charged for returned checks. Returned checks may also be forwarded to our collection agency for further action.

### \*Transfer of Records.

An administrative charge for processing in the following States:

**New York:** Seventy-Five cents (\$.75) per page for paper copies and a reasonable charge for diagnostic images, plus postage.

**New Jersey:** \$1.00 per page for first 100 pages

\$.25 per page thereafter to a maximum charge of \$200.00 for the entire record

\* **Appointment Cancellation or 'No Show'.** As a courtesy, our office has an automated appointment reminder system that calls 2 days before and a day before to verify your appointment. This provides adequate time to cancel or change your appointment if needed. Twenty four hour notice is required to avoid the \$20 late cancellation or no-show charge. This charge is not billable to any insurance carrier.

## Medication Refills

Patients are given enough medication to sustain them until their next visit. A follow up visit is usually required for prescriptions written over 6 months ago. Depending on the medication, a one-time refill may be given.

## No Insurance Card

If you arrive without your insurance card for your first visit, you will be charged our standard commercial fee. We are not able to provide an insurance discount or contracted fee without that card and supporting identification. No refunds or insurance discounts will be provided after the fact. Refund of the full amount patient paid is done **only** after the insurance pays.

**A copy of this authorization shall be valid as the original.**
